1. Membership Defined

AAA services are for Members only. The AAA membership card covers the individual named on the card. New Memberships, Upgrades and Associate add-ons are in effect immediately with one exception: if a new Member has a pre-existing Emergency Road Service event, then Classic level service will be rendered for that call, regardless or the level joined with a $75 service fee that is not included in the annual Membership fee. If a current Member wishes to upgrade their Membership level to cover a pre-existing Emergency Road Service event, the Membership level at the time of the incident governs that call regardless of the level upgrading to.

AAA Oklahoma provides three levels of membership:

Classic
The Classic Membership entitles members to receive all of the member benefits explained on pages 6 through 13.

Plus RV
AAA Plus® RV offers members expanded Emergency Road Service and many other AAA services (see page 9-12 for more details). Each household member associated with the Primary member who has AAA Plus® RV must also have AAA Plus® RV. AAA Plus® RV can be added to your membership for an additional cost. Contact AAA Oklahoma at 1-866-877-2450 for rates.

Premier RV
AAA Premier® RV takes membership to the next level. Extended benefits offer more assistance when traveling in the U.S. or abroad. For detailed information refer to the special section beginning on page 12. Each household member associated with the Primary member who has AAA Premier® RV must also have AAA Premier® RV. AAA Premier® RV can be added to your membership at an additional cost. Call AAA at 1-866-877-2450.

There are two categories within the AAA Membership – Primary or Associate.

Primary Member
The Primary Member is the first person in the household to join AAA. Membership includes emergency road service protection and all other AAA services and benefits. Renewal statements, credentials, publications and most mailings are sent to the Primary Member.

Associate Member
There must be a Primary Member living in the same household to qualify as an Associate Member. A Primary Member can have a maximum of eight Associates on his or her membership. There are no age restrictions.

Membership Renewal
You will receive a membership dues statement before your annual expiration date, which is always the last day of your join month (ex: you join on January 10th, your Membership will go into effect immediately and expires on January 31st of the following year). Service will continue upon receipt of your renewal dues. Your renewal date will always be the 1st of the next month (in the example above, February 1st).

Express Renewal
To ensure that your AAA services are never interrupted, you are encouraged to enroll in Express Renewal. If you use your AAA Member Rewards Visa® credit card for Express Renewal you will earn three rewards points for every dollar
spent on the renewal. You can also use any other Visa®, MasterCard®, American Express®, Discover® or Diners Club® card to enroll. Once enrolled, your dues will be automatically charged to your credit card approximately 30 days prior to your renewal date. Call 1-866-877-2450 or visit us online at AAA.com to take advantage of this benefit.

**Term of Membership**

It is the policy of AAA Oklahoma to consider a Membership active and in renewal status until sixty (60) days from the date of expiration of the prior Membership term. This is a service to our Members to provide them with continuous coverage for emergency roadside assistance in the event that their payment is forthcoming but not yet received. If service is requested during the renewal term, the Member is required to pay their Membership dues. If renewed, the new term will run one year from the expiration of the prior Membership term. In all cases, the expiration date of the Membership remains the same.

Once a Membership passes sixty (60) days after the expiration date, when/if the Membership is renewed a new expiration date will be issued.

**Gift Membership**

You can give the peace of mind and year-round savings of AAA to a loved one or friend. AAA is the perfect, considerate gift for a birthday, graduation, Christmas, or any other special occasion. Gift memberships may be purchased by calling toll free at 1-866-877-2450, online at AAA.com or at any AAA branch nationwide. The membership arrives with a gift card bearing your name.

Note: To protect the membership at large, AAA Oklahoma reserves the right to alter, add, or eliminate present services or dues, and cancel any membership for abuse of services (including use of a membership card by a non-member) at any time without notice. Additional personal identification may be requested when Emergency Road Service or other Club services are requested.

**2. Membership Entitlements**

AAA maintains its own cartographic department that designs and prepares all AAA maps. Our state and regional maps are revised annually. As a AAA Member, you may obtain current maps and TourBooks® free of charge.

**Recommended Accommodations and Restaurants**

Leave the guesswork out of choosing your travel accommodations by using the AAA approved accommodations listed in AAA’s exclusive
TourBooks®. AAA inspectors perform an in-person evaluation of each lodging location and restaurant listed in the TourBook®. For every approved establishment, there are many more that do not meet our standards.

Lodgings and restaurants approved in the TourBooks® are eligible for our Official Appointment Program, which permits the display and advertisement of the ‘AAA Approved’ emblem, so our members can locate them easily.

AAA TourBooks® point out restaurants and lodging locations that offer special features such as wheelchair accessible facilities. Spotting maps are provided for over 60 cities and metropolitan areas to help you locate AAA Approved lodging and restaurants. A “points of interest” index makes it easy to look up specific points by category.

Campground Guides
Americans love camping and AAA will guide you to the best camping sites and campgrounds. Your travel counselor will provide you with AAA’s exclusive Campground Guides. These informative, richly detailed books give you the current information about AAA approved campgrounds, facilities available, charges for rental hookups, and directions to get you there.

Home & Away® Magazine

For AAA Plus® RV and AAA Premier® RV members, our Theft Reward and Hit-and-Run Reward offers up to $2,000 for this information. Law enforcement officials, the AAA Member, and the AAA Members’ family are ineligible to receive the reward.

AAA Travel Money
In order to meet your changing preferences for the type of “money” you carry while traveling and provide you with more choices, AAA Travel Money offers members a variety of products.

If you prefer plastic, then the Visa Travel Money® Card is the right option for you. You can make purchases at any merchant that accepts Visa®, and can also withdraw money from your account at any Visa® ATM worldwide. Simply load your desired amount of funds prior to leaving home for your trip abroad.

AAA Foreign Currency Banknotes are the best way to make sure you have local currency in your wallet when you arrive in another country. Members can avoid line hassles, high fees and unfavorable exchange rates typically offered in airports, hotels and foreign banks by purchasing foreign currency before leaving the United States. Local cash on hand comes in handy for taxis, tips, incidentals and other situations in which plastic may not be accepted.
Simply order any of the 70 available currencies from AAA.com. Your currency will be shipped directly to you within 5 business days.

**Notary Public Service**
Notary Service is available to Members at most AAA Oklahoma offices for free. This is another helpful membership feature to save you time and money.

**Check Cashing Service**
When you are traveling in the U.S. outside your AAA club territory and an emergency situation arises because your cash in hand is depleted, you may cash your personal check for up to $100 at the nearest AAA office.

**Trip Continuance Service**
Your “Trip Continuance” benefit may be used if the motor vehicle used as the primary mode of transportation on your trip is disabled as the result of a collision (not mechanical failure) occurring 50 or more miles from home. You are entitled to one of the following two options, not both:

(a) Rental car or taxi, as well as reasonable local meals and lodging, all in the local vicinity where your vehicle is being repaired; or

(b) Transportation to your destination or back home by rental car (drop off charges, fuel and insurance charges not included) or by commercial transportation (airplane, bus or train).

Reimbursement is limited to unexpected expenses incurred within 72 hours from the time of the collision. Under this benefit, AAA Oklahoma will pay up to $500 per collision toward the chosen coverage option listed above. There is a $1,000 maximum when more than one AAA Member of the same family is involved in a common collision. For AAA Plus® RV members, the maximum increases to $2,000 when more than one Member of the same family is involved in a common collision.

You must file a written police report and obtain itemized bills and receipts for your expenses. When you return home, contact AAA Oklahoma for a claim form. Your claim for reimbursement must be filed within 90 days from the date of the mishap. Approved claims will be paid by check directly to the Member.

**$200 Stolen Car Transportation Reimbursement**
If your vehicle or the vehicle you are a passenger in is stolen while you are 50 miles or more from your home, AAA will reimburse you up to $200 per occurrence for commercial transportation expense to return home or continue to your destination. Drop-off, fuel and insurance charges on car rental are not included. The expense must be incurred within 72 hours of the time theft is reported to police. To obtain the reimbursement, you must furnish AAA Oklahoma an original commercial transportation expense receipt, a copy of the original police report, and complete the reimbursement claim form furnished by AAA.

AAA Premier® RV provides extended trip interruption benefits. See page 15 for complete details.

AAA Premier® RV provides extended Stolen Car benefits; see page 15 for complete details.

**Legal Fees Reimbursement Service**
Traffic courts are generally informal. You usually have ample opportunity to tell your story. But if you feel the charge is unfair or improper and wish to contest it in court, you may want an attorney to represent you. AAA Oklahoma will reimburse you up to $1,000 for legal fees in your defense for moving violations. Plus RV members receive up to $1,000.

Please remember: neither bonding service nor legal fees reimbursement service applies for charges of driving while under the influence of
intoxicating liquors, drugs, or narcotics, failure to appear on prior traffic violations or driving on a suspended or revoked driver’s license, hit-and-run, failure to present evidence of insurance, illegal use or falsification of license or registration, attempt to elude or eluding a police officer, engaging in a felony, or while driving a vehicle used for commercial purposes.

3. Emergency Road Service

With a network of over 50,000 independently contracted emergency service vehicles across the United States and Canada, you'll feel better knowing AAA is there to help you when you need emergency roadside assistance. You can call for service whether you’re the driver or passenger of your own car, a friend’s car or a rental.

For Emergency Road Service (ERS) anywhere in the U.S., use the AAA Mobile App for the quickest response times. The AAA App is available for iPhone and Android products. Or call 1-800-AAA-HELP (1-800-222-4357). ERS is available 24 hours a day, 365 days a year, throughout the United States. AAA will assist you in an emergency whenever the vehicle you are driving or riding in becomes disabled. Your coverage includes all emergency and towing services listed in the handbook.

To assure faster service when you call for Emergency Road Service, please be prepared with the following information:

- Membership number
- Vehicle year, make, model and color
- Location of vehicle (street address if available)
- Nature of trouble (flat tire, in ditch, etc.)
- Phone number where you can be reached

Eligible Vehicles

Service applies to all properly licensed two, three or four-wheeled motor-driven vehicles of the passenger, pleasure, or recreational type (vans, motorcycles, campers, and motor homes), regardless of license plate designation, if those services can be safely delivered. Dual-wheel campers/motor homes will be provided all services except towing, extrication/recovery, and tire service. Dual-wheel unloaded pickup trucks are provided all services except tire service. Rented passenger vehicles are eligible for service. Commercial vehicles are eligible for service with the exclusion of limousines. On rare occasions it may be necessary for AAA or its service partners to deny service to any vehicle that is being utilized or has been acquired unlawfully. While this is not the norm, we do reserve the right to deny service for any reason to any vehicle, regardless of Membership level. Service will not be offered on any vehicle that is non-licensed or salvaged.

AAA Plus® RV and AAA Premier® RV extends your Classic coverage to include motor homes, recreational vehicles, motorcycles, unloaded one ton dual wheeled pickup trucks, and 5th wheel travel trailers. In instances when your vehicle becomes disabled while towing a light duty or boat trailer, service will be provided for the trailer if it can be towed in tandem with the vehicle. You may be required to pay for trailer towing.

Please note: arrangements will be made to tow campers and travel trailers when the vehicle pulling them becomes disabled.

Emergency Services

The following emergency services will be provided to enable you to drive the vehicle you are traveling in. If these attempts are unsuccessful after a reasonable effort by the service provider, the towing provision will apply.

1. Mechanical Adjustments: Minor adjustments will be made in an attempt to enable your vehicle to operate safely under its own power.

2. Battery Boost: A battery boost will be provided in an attempt to start your vehicle.

3. Flat Tire: If your vehicle’s spare tire is inflated and serviceable, it will be installed to replace a flat tire. If no inflated spare is available, the vehicle will be towed in accordance with the towing provision.
4. **Gasoline Delivery:** A limited supply of gasoline will be delivered to your disabled vehicle to enable you to reach the nearest open service station. Specific brands or octane ratings cannot be promised. You will be charged current pump price for the gasoline. Please Note: Due to additional services needed, diesel powered vehicles will be towed.

**AAA Plus® RV and AAA Premier® RV:** extends your Classic coverage to include delivery of a limited supply of gasoline at no cost to the Member to the scene of disablement that will enable the vehicle to reach the nearest gasoline supply.

5. **Lockout Service:** If your keys are locked inside the vehicle, service will be sent to gain entrance. If the vehicle ignition key is lost, broken or the service provider cannot gain entry, AAA Oklahoma shall provide a locksmith service up to $50 or reimbursement of a commercial locksmith service up to $50. If necessary, AAA Oklahoma will provide tow service in accordance with the towing provision.

**AAA Plus® RV and AAA Premier® RV:** extends your Classic coverage to provide locksmith service up to $100 or reimbursement up to $100 in parts and labor. Coverage increases to $150 for Premier RV Members.

6. **Extricating/Winching:** Your vehicle will be extricated and/or winched when it can be safely reached from a normally traveled or established road or thoroughfare. If special equipment, additional manpower or vehicles are required, the associated costs may be at your expense.

**AAA Plus® RV and AAA Premier® RV:** extends your Classic coverage to provide, if necessary, a second service vehicle and personnel for one hour.

7. **Towing Services:** When your vehicle cannot be safely driven after attempting any of the listed emergency services, your vehicle will be towed to the ERS facility rendering the service if the repairs can be made there or a maximum of five miles. Additional mileage is to be paid by you at the time of service. In instances when your vehicle becomes disabled while pulling a trailer, you may be required to pay for trailer towing. Please Note: For trailer coverage see AAA Premier® RV coverage under eligible vehicles section.

**AAA Plus® RV:** extends all four Classic level coverage calls to include up to 100 miles of towing per breakdown, to a destination of your choice.

**AAA Premier® RV:** extends one of the five service calls per membership year to include up to 200 miles of towing to the destination of your choice. The remaining 4 service calls are eligible for up to 100 miles of towing each.

### Scope of Service

Under your membership, Emergency Road Service will be provided without charge from the nearest available AAA contract facility. Your service call will include a trip to the disabled vehicle and a reasonable amount of time at the scene to make your vehicle operable. We select Emergency Road Service facilities for their ability to handle service calls, but we cannot guarantee that these facilities will always have the parts and equipment to make repairs. When your vehicle cannot be made operable upon providing the services listed in this AAA Membership Handbook, AAA Oklahoma will assist you in finding the nearest open place of repair. If a repair facility cannot be located, AAA Oklahoma will assist you in obtaining lodging or alternative transportation at your expense. Charges for services that exceed the benefits listed will be at the prevailing hourly or mileage rate of the region where service is provided.

For your protection, service cannot be provided to an unattended vehicle. In extenuating circumstances, an exception may be made if prior arrangements have been made with AAA Oklahoma. During severe weather conditions, civil disturbances or national emergencies, service may be temporarily suspended.
Please Note: In most areas Emergency Road Service facilities are independent businesses. Their employees are not employees of AAA Oklahoma or its affiliates. Responsibility for loss, damage or unsatisfactory workmanship remains with the ERS facility providing the service.

AAA Emergency Road Service may not be used for commercial purposes or as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. AAA Oklahoma reserves the right to terminate or non-renew an AAA Membership, regardless of Membership level, in the event of the aforementioned.

Alternate Service
If you have followed the procedures to obtain Emergency Road Service and AAA service is not available, you may obtain your own service, pay for it, and submit the original receipt to AAA Oklahoma within 60 days for reimbursement. Reimbursement will be based on the prevailed commercial rate for the region where the vehicle was disabled. In instances when AAA contractor access is legally restricted (toll roads, limited access highways), reimbursement will be provided. At a minimum, AAA Oklahoma will reimburse Members the AAA Oklahoma contract network rate when AAA service was available but not requested.

Excessive Use
In fairness to all members, Emergency Road Service is not to be used as a substitute for proper vehicle maintenance. The Club will not provide unlimited service calls and you can be non-renewed or canceled for excessive use of services.

Maximum Service Call Benefit
Each Classic and Plus® RV member will be allowed four service calls per Membership year. Premier® RV Members will be allowed five service calls per Membership year. Enrollment in Express Renewal adds an additional call per Membership year.

Emergency Repair Check Acceptance
Your personal check for up to $250 will be accepted by any independent contract facility providing emergency service or repairs for AAA Members. A valid membership card must be presented at the time of payment. The name on the check must match the Member’s name. AAA/CAA contract facilities shall accept valid credit cards and debit cards presented by members of AAA Clubs.

Approved Auto Repair
AAA takes the scare out of auto repair by investigating which auto service providers in Oklahoma you can trust. Then we stand behind you in your dealings with these shops if you should have a problem.

Whether you choose to visit an Approved Auto Repair (AAR) facility for routine work, or ask to be towed to one when your car breaks down, we guarantee you will be treated right.

AAA Members receive written estimates, limited repair warranties of 24 months or 24,000 miles, replaced parts returned and the secure knowledge that AAA will resolve any dispute between you and an AAR facility.

4. AAA Premier® RV

As you know, from AAA Discounts & Rewards to Emergency Road Service, all of your AAA Oklahoma Membership benefits can save you time and money – and give you added peace of mind whether you are at home or on the road.

You are eligible to receive AAA Premier® RV benefits immediately, with the exception of having a pre-existing Emergency Road Service event. AAA Premier® RV benefits, dues, fees and services are subject to change without notice.
Emergency Road Service
As detailed earlier, Emergency Road Service can help you with a flat tire, a dead battery, a vehicle lockout, emergency fuel delivery, extrication/winching or a tow. Each AAA Oklahoma Premier® RV Member is entitled to up to five Roadside Assistance calls per membership year.* And, with AAA Premier® RV, each member can be towed up to 200 driving miles from the point of breakdown as one of the five allowable service calls per membership year, and up to 100 driving miles from the point of breakdown on the remaining allowable service calls.**

We’ll even deliver a sufficient amount of fuel at no cost to you, if available, to enable you to reach the nearest service station. Please note: due to additional services needed, diesel powered vehicles will be towed.
If the service provider cannot get you into your car when your keys are locked inside the passenger compartment, we will arrange for assistance from a locksmith at our expense, up to $150. If the services of a locksmith are required for an automotive emergency other than a lockout, you’re covered up to $150 per call.

*Some conditions apply. Additional calls are subject to service charge. Service may be provided by independent businesses.

**AAA Premier® RV Emergency Road Service is subject to the conditions in this Membership Handbook. AAA Emergency Road Service may not be used for commercial purposes or as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. Prescription and over-the-counter medications come with warnings about possible side effects, such as drowsiness or risks related to driving, yet many people ignore them, because they’ve never had a problem. In addition, side effects for an individual drug can change when combined with
other medications, especially new prescriptions.

**Child Passenger Safety**

**Child Car Seat Loaner Program**

Whether you are flying to a different town and will need a car seat for your rental vehicle, or you have a family member or friend coming to visit that has a child, AAA can help assure parents that children are transported safely when they travel. All AAA Members may borrow a child car seat for up to two weeks of use. Availability of equipment is not guaranteed, so please make arrangements in advance by calling AAA Driver Education at (918) 748-1071 or (800) 222-2582.
