Welcome!

No matter where your travel dreams take you, AAA invites you to start your planning by perusing its 2015–2016 AAA Vacations® guide, filled with some of the most popular vacation options around the world.

This year AAA offers you more exciting itineraries, more engaging experiences and more exclusive values than ever before. As a AAA member, you also receive 24/7 Member Care, members-only benefits and the Best Price Guarantee†. At AAA Vacations®, it’s a privilege to help you get the most enjoyment from your vacation.

As you read the pages of this guide, you’ll appreciate the expanded vacation portfolio, including cruises, guided tours and independent vacations that vary from the historic and traditional to the exotic and adventurous. And every AAA Vacations® itinerary is packed with exceptional built-in value, including engaging experiences and complimentary inclusions that would be considered “extras” on similar vacations (if they were offered at all!). Once-in-a-lifetime experiences—such as an open-air tram ride through Yosemite National Park, snorkeling with exotic fish in the Galapagos Islands, or learning about generations-old techniques from Chinese tea farmers—are included in your vacation package.

AAA Vacations® cruises have their own built-in values, which may include priority check-in, AAA cocktail parties, onboard spending credits, specialty dining, champagne in your stateroom and more. When added up, all these little touches can make your vacation experience a lot more festive and enjoyable.

As a AAA member, you can also count on your AAA Travel Agency for value and savings. AAA Travel Agents can go over the details of your itinerary to check for any possible discount and added benefit. This is in addition to the 24/7 Member Care and Best Price Guarantee.

So let AAA attend to the details of planning and arranging your vacation.
